

**Join the Employment Program for
Persons with Disabilities or Multiple
Barriers**

The program is tailored to the specific needs of each individual and provides flexibility to those who only want to work a few hours a week up to full-time.

If you have little or no job experience, or have been out of work for a long time, we can assist you in gaining skills through workshops, coaching, and work experience placement, volunteer placement, upgrading or prerequisite certificates.

Our goal is to help you find the job that matches your skills, values and interests.

**This program is FREE to all eligible
participants**
